

2018-2019 Quad City Heat Baseball Club Parent / Player Agreement

Please read thoroughly through the agreement form. The following form is a guideline and policy that the organization and the parents sustain in order to keep a good understanding of expectations from the organization to the parents.

■ The player fee for the 7U team is \$200. The player fee for the 8U team is \$400. The player fee for the 9U thru 13U teams is \$600 and \$475 for 14U only. Any family with more than 1 player in the organization (9U and older) can remove \$75 per kid. \$200 player fee is due by August 1st. \$400 is due by October 1st, & \$475 / \$600 is due by December 14th. If a player is removed, leaves the team, or disrupts the team to shorten the team's season, all money paid is forfeited. Any player that has played from at least the age of 9 through the age of 14, will have their yearly club fees returned at the end of the 14U season (\$475 maximum). Any payments that are more than 1 week late will have an additional \$50 of fees added on.

(TO BE FILLED BY TEAM REPRESENTATIVE ONLY) Paid \$ _____ check # _____ or cash

- Each family will have the opportunity to help pay for the organizational fees thru fundraising. The first fundraiser will be a raffle held in the fall and the second will be a trivia night in the winter. Each player on the 7U & 8U is required to sell \$50 worth of tickets. Everyone on the 9U thru 14U is required to sell \$25 to go towards the winnings. Every ticket sold beyond the requirement will go directly to the player. The second fundraiser is our annual trivia night. Tables will be divided evenly with participants and volunteers and split accordingly. Every Heat team is going to be required to bring 1 team basket worth at least \$150.00 to the trivia night.
- Fees for all ages will pay for everything but pants and team tournament fees. Team tournaments will be decided by teams. All new players will receive a bat bag and uniform set which will consist of 2 tops, hat, belt, and helmet. Any returning player that needs uniforms, helmet, or bat bag will be charged accordingly. If the organization changes the uniform or any part of, returning players will be required to buy a new one.
- Each family must help pay for the tournaments. It is up to the team to determine the tournaments and the amount of tournaments that each team plays in. Teams must play in any Heat hosted tournament and help work Heat hosted tournaments if there is a division for the team to play in.
- Each team will have a paid entry into the Quad City Bronco Fall league. No alternative tournament will replace the Bronco Fall league.
- Each player can get a business sponsor, at different levels of sponsorship, to help off-set any fees. 4/5 of the sponsorship total will go to the player, 1/5 will go to the organization. Sponsorship money will be put into player account. Probable sponsors will not be applicable for player fees. Fees must be paid on time.
- Each individual team may determine additional fundraisers for families to help pay for hotels, tournaments, etc.
- Teams (managers, coaches, players) are set on a year to year basis. To give all children equal opportunity, each current player must attend tryouts held at the end / start of each season.
- There is absolutely **no** playing for another baseball team during the season except for players on the 14u team that plays for their high school team. If a player is found to be playing for another team that is not high school, they will immediately be required to quit the other team or be removed from the Heat team. Players may have to be added to the roster / team during mid-season (after March). These players will not be subject to obligations of playing for only 1 team, though it is stressed by the organization for the coaches to try to find someone that will play solely for the Heat.
- We give each team the opportunity to set team standards for players and families with team based agreement forms.
- Individuals with money in their account must provide documentation (i.e. receipts), to have money reimbursed. Reimbursement will only take place after all fees are paid. Money can only be used for expenses occurred for playing with the Heat.
- At any time, if attitudes of the players or parents gets out of line, appropriate measures will be taken place by the organization. Actions may include but are not limited to: apologize to team, suspensions, and removal from team. Coaches or the organization has the authority to hand down disciplinary actions to players/parents. Coaches must speak with the organization first before they lay down disciplinary actions on players / parents.
- Playing time is earned in all games. The manager has discretion for playing times and positions played.

Please read through the following agreement and sign after understanding the whole agreement.

Our goal is to make sure there is a clear understanding what is involved and what is expected of all persons in the organization. .
