If the game is tied during pool play after time limit, the game is tied. If there is still time on the clock we will play 1 additional inning with the following rule:

Each team will place the last two players who batted from the line-up the previous inning on 2nd and 3rd base (last batter on 2nd base and 2nd to last batter on 3rd base). Substitutions may be used if players have not yet played in game.

The inning will start with one out.

The game will continue with this format until a winner is declared or time limit has expired.

All games except the championship game will follow this format. Championship game will be played as a normal inning.

COURTESY RUNNERS

Courtesy runner for the catcher or pitcher allowed any time. Have catcher ready to go at the start of the inning. Courtesy runner must be someone not currently in the game. If all players are in the game, the last out made will be the courtesy runner.

No single individual player can courtesy run more than once in an inning.

FORFEITS

Forfeit in pool play may result in team not advancing to championship bracket. This will be up to tournament director's discretion. Forfeits will be marked as a 6-0 victory for the winning team.

HOME TEAM

Home team will be determined by a coin flip in pool play. In championship play, higher seed will have choice of home or visitor.

Home team will be official scorekeeper and must record start time in book.

START OF GAME

Please have team at ballpark and ready to go 20 minutes prior to game start time. We will start the game up to 20 minutes early if we are running ahead of schedule. Even if games are running early, teams may be declared as a forfeiture if they are not able to field a team within that 20 minutes prior to game time.

Dugouts will not be assigned.

END OF GAME

The home team will be responsible for filling out the tournament score sheet and having it signed by both the home and visiting manager or coach. The winning coach will turn the score sheet to the designated tournament central at the facility.

INJURIES

If a team is batting the entire order and a kid becomes injured and can't bat, then he is done for the game once their spot is passed in the lineup. The first time the child is supposed to bat will be recorded as an out and then the lineup closes and no penalty will happen after the recorded out.

BALKS

There will be one warning per pitcher per game for the 9U and 10U division. No warnings for the 11U – 14U divisions. For the younger age groups 9-10, balks will be given some leniency such as slightly moving the shoulders to look at first, etc.
